

# DEEPALI RAJORIYA

22cse028@gweca.ac.in | deepalirajoriya297@gmail.com | (+91) 6375627445

## OBJECTIVE

Aspiring developer with skills in Web Development and Machine Learning , seeking opportunities to apply and enhance my technical expertise.

## SKILLS

- ❖ Programming Languages : Java, Python, C
- ❖ HTML, CSS, JavaScript
- ❖ Node.js, MongoDB
- ❖ Basic Knowledge of ML Concepts and Algorithms
- ❖ Developer tools : VS Code, Git, GitHub, Jupyter Notebook

## EDUCATION

- ❖ B.Tech | Computer Science Engineering Branch | Government Mahila Engineering College Ajmer CGPA: 8.76 | (Present)
- ❖ XII (RBSE) | Government Girls Senior Secondary School, Kota 72.40% | (2022)
- ❖ X (RBSE) | Bharat Vidya Peeth English Medium School, Kota 90.14% | (2020)

## INTERNSHIPS

- ❖ **Artificial Intelligence Foundation Intern | Edunet Foundation (Microsoft initiative in collaboration with AICTE )** (April 2025 – May 2025)
  - Understood the core AI and Machine Learning concepts through real world problems and microsoft learning courses.
- ❖ **Front-End Development Intern | Cognifyz Technologies** (July 2024 – August 2024)
  - Developed responsive and interactive web pages using HTML, CSS and JavaScript.

## PROJECTS

- **PCOS Prediction System** (Developed a machine learning model to predict the likelihood of Polycystic Ovary Syndrome (PCOS) in women based on healthcare data.)
- **Portfolio Generator Website** (Built a dynamic portfolio generator tool where users can input their personal and project details to automatically generate a portfolio webpage.)
- **Mental Health Blog Website** (Designed and developed a responsive blog website to promote mental health awareness, featuring articles and tips for emotional well-being.)

## CERTIFICATIONS

- ❖ NPTEL course of Data Base Management System (by Prof. Partha Pratim Das)
- ❖ NPTEL course of Introduction of Machine Learning (by Prof. B. Ravindran)
- ❖ Data Structures & Algorithms with Java (by Apna College)
- ❖ Web Development (by Apna College)
